All grievances, except those that can be settled under Section 87 of the *Labour Relations Code*, shall be resolved in the following manner:

25.301 Where an Employee has a grievance, such Employee shall first either personally, or accompanied by such other person(s) as they may choose, discuss the grievance with the Crew Leader or project supervisor. If a resolution is reached, such resolution shall be considered final.

25.302 If a grievance has not been resolved in accordance with Article 25.301 within seven (7) calendar days or such longer time as the Parties may mutually agree to, or in instances of any other grievance, the particulars thereof shall be set out, in writing, by the party resorting to this procedure, and shall be delivered to the other party. Both Parties shall then confer forthwith upon the matter, and if a resolution is reached, such resolution shall be considered final.

25.303 If the Parties are unable to resolve a dispute within ten (10) working days from when a formal grievance is filed in writing as set out in Article 25.302, then the dispute shall be referred to a three (3) person arbitration panel. One (1) panel representative shall be appointed by the Employer, and one (1) panel representative shall be appointed by the Union, and the Panel Chair shall be one of the following two (2) preselected Arbitrators: Mr. Vince Ready or Mr. Ken Saunders. All appointments shall be made within five (5) working days of the dispute being referred to the panel, and the Parties shall use whichever pre-selected Arbitrator is available first. Such process shall apply on all unresolved disputes.

25.304 Each party shall pay its own costs and expenses of arbitration, including the compensation and disbursements of its appointee to the arbitration panel, plus one-half (½) of the compensation and disbursements of the Chair, and one-half (½) of any other expenses incurred (e.g. secretarial services, meeting rooms, etc.).

25.305 Matters to be dealt with under Article 25.300 shall normally be discussed during working hours, provided however, that lengthy negotiations for the settlement of any disputes shall be discussed outside of working hours.

25.306 The Parties may, at their discretion, mutually agree that instead of appointing a three (3) person arbitration board they shall instead appoint a single arbitrator.

- (a) Such single arbitrator shall be selected by mutual agreement of the Parties.
- (b) Article 25.304 shall also be applicable where a single arbitrator has been appointed.
- (c) If such mutual agreement to appoint a single arbitrator cannot be reached within twenty-four (24) hours, or such other time as may be mutually agreed upon, a three (3) person arbitration panel shall be appointed in accordance with Article 25.303.

ARTICLE 26.000 – INDEPENDENT AGREEMENTS

26.100 Independent Agreements

The Plasterers Local 919 Poly Party Standard ICI Agreement by and between the Union and CLR may not be used for the purpose contemplated by Article 26.101.

26.101 Should the Union enter into any Agreement other than this Agreement and/or the Pacific Region Maintenance Council Agreement, with any individual Employer and/or group of Employers performing work covered by the terms of this Agreement, and such other Agreement provides for wages and/or any other terms and/or conditions, in whole or in part, which the Employers signatory to this Agreement consider to be more favorable, such wages and/or terms and/or conditions shall automatically become part of this Agreement, and shall replace, as required, any/all corresponding provisions of this Agreement.

26.102 CLR shall notify the Union, in writing, prior to any Employer(s) implementing such more favorable wages and/or terms and/or conditions.

26.200 Confirmation of Signatory Contractors

26.201 The Union shall provide CLR, within five (5) working days of signing this Agreement, a list of any/all other Employers signatory to this Agreement who are not members of CLR.

26.202 Such list shall include each Employer's name, address, and phone number, and shall consist of all Employers signatory to this Agreement, regardless of whether such Employers are themselves members of CLR.

26.203 The Union shall also ensure that such list is kept up-to-date by providing to CLR, within five (5) working days of such signing, the name, address, and phone number of any Employer who subsequently becomes signatory to this Agreement.

26.300 Copies of Agreements

26.301 The Union shall provide CLR with a true and complete copy of any Agreement, other than this Agreement, which the Union has entered into as of the date this Agreement is signed, or subsequently enters into with any individual Employer or group of Employers, regardless of whether such Employer(s) is/are themselves a member of CLR.

26.302 The Union shall also provide CLR with a list of all Employers signatory to such other Agreement(s) as per the terms of Article 26.200.

26.303 Article 26.300 shall apply only to such other Agreements (e.g. Standard, Industrial, Commercial, Institutional, Residential, Project, Enabling, or combination thereof, etc.), which, in whole or in part, govern the performance of work also covered by the terms of this Agreement.

ARTICLE 27.000 – SAVINGS CLAUSE

27.100 Savings Clause

27.101 It is assumed and contemplated by the Parties signatory to this Agreement that each and every provision of this Agreement, whether read individually or in any combination, is and are in conformity with all laws of Canada and BC.

27.102 In the event that amendment of such laws or interpretation of such laws by a court or tribunal of competent jurisdiction should result in any part or parts of this Agreement being rendered invalid, illegal or unenforceable, then such part or parts of this Agreement shall be deemed to be severed and of no further force and effect, but the remainder of this Agreement shall continue and remain in full force and effect and remain binding upon the parties signatory to this Agreement, for the duration of this Agreement.

27.103 (a) The Parties signatory to this Agreement agree to negotiate any part or parts of this Agreement rendered invalid, illegal, or unenforceable, for the purpose of attempting to agree upon lawful replacements.

(b) In the absence of agreement, replacement provisions shall be subject to the grievance and arbitration procedure, as provided for in Article 25.000, without stoppage of work, providing however, that negotiations and grievance and arbitration procedures shall be limited to replacements having the same purpose, object or intent as the part or parts severed and not to new issues or matters.

ARTICLE 28.000 – ENABLING

28.100 Enabling

In recognition of the close working relationship on projects between the Union and other BCBT and/or BCBCBTU affiliates, the Parties acknowledge the need for enabling relief to be generally consistent. As a result, the Parties agree to work towards achieving this objective wherever possible. Notwithstanding the foregoing, the Parties also acknowledge the individual autonomy of OPCMIA Plasterers Local 919 and agree that nothing herein shall be interpreted as an agreement to restrict that autonomy in any way.

28.101 The Union, upon request by CLR and/or an Employer(s) tendering a project, may determine on a project-by-project basis if special dispensation is required for such Employer to tender competitively.

28.102 If the Union decides such special dispensation as provided for in Article 28.101 is required, the Union may, in writing, and with the mutual agreement of CLR and/or the Employer, amend, delete, add, and/or otherwise modify any terms and/or conditions of this Agreement for the duration of the project.

28.103 Notwithstanding any/all contrary provisions of this Agreement, Joint Industry Funds negotiated between the BCBCBTU and CLR (e.g. CIRP, etc.), and/or individual dues to umbrella organizations, shall not be subject to reduction and/or elimination via enabling without the prior written consent of the BCBCBTU and CLR.

ARTICLE 29.000 – MULTI-EMPLOYER CERTIFICATIONS

The parties shall cooperate in, and support in every way, the institution, at the initiative of the Union, of multi-Employer certifications. Such multi-Employer certifications shall be instituted along traditional trade lines and shall not be used in any way to resolve jurisdiction or to affect the present (July 1980) status quo between trades.

ARTICLE 30.000 – STRIKES AND LOCKOUTS

30.100 Continuous, uninterrupted operation of the Employer's business in accordance with the schedule established by the Employer with consequent assurance of the opportunity for gainful employment of the Employer's Employees is hereby declared to be the essence of this Agreement.

30.200 Notwithstanding any contrary provision contained within this Agreement, during the term of this Agreement there shall be no lockout for any reason by the Employer or any strike, sitdown, slowdown, work stoppage or suspension of work either complete or partial for any reason by the Union and/or the Employees.

30.300 It shall not be a violation of this Agreement for Union members to refuse to cross a legal picket line which has been sanctioned by the BCBT.

ARTICLE 31.000 – EFFECTIVE DATE AND DURATION

31.100 This Agreement shall be in full force and effect from and including May 1, 2023 to and including April 30, 2026, and shall continue in full force and effect from year to year thereafter, subject to the right of either party to this Agreement to, within four (4) months immediately preceding the expiry date of this Agreement, April 30, 2026, or immediately preceding the last day of April in any year thereafter, by written notice, require the other party to this Agreement to commence collective bargaining.

31.200 Should either party give written notice to the other party pursuant hereto, this Agreement shall thereafter continue in full force until the Union shall give notice of strike, or the Employer shall give notice of lockout, or the parties shall conclude a renewal or revision of this Agreement or a new Agreement.

31.300 The operation of Section 50 (2) and 50 (3) of the Labour Relations Code are hereby excluded, and consequently shall not apply to this Agreement.

**(On its own behalf, on behalf of its member Employers who have authorized the Association to execute this Letter of Understanding and who are included on the attached signatory list, and those members added from time to time by notice given to the Union.)
(Hereinafter referred to as the "Employer")**

The Parties hereby agree that the following terms and conditions shall supersede any/all contrary application and/or interpretation of the Craft Plasterers Local 919 Standard C/I Agreement. Such terms and conditions shall not be included within the Craft Plasterers Local 919 Standard C/I Agreement, but shall otherwise be deemed to pertain thereto and be a part thereof. As a result, all other relevant provisions of the Craft Plasterers Local 919 Standard C/I Agreement (e.g. effective date and duration, grievance resolution procedure, etc.) shall also apply to this Letter of Understanding.

In particular, the parties hereby agree that the provisions of this Letter of Understanding are applicable only on shifts in excess of ten (10) hours. Where mutual agreement is referenced within this Letter of Understanding, the voluntary consent of the majority of Employees on a crew shall be required in order for such agreement to have been achieved.

A. Shifts in Excess of Ten (10) Hours

The parties agree that shifts in excess of ten (10) hours occur as a result of either a scheduled shift or an unscheduled overtime shift. Each of these shifts is defined below by way of an example. Such definitions shall apply only for the purposes of this Letter of Understanding.

1. Scheduled Shifts

When an employee commences work on a shift in excess of ten (10) hours and such employee only works the originally scheduled hours, such a shift would be defined as a scheduled shift. For example, the shift is scheduled to be eleven (11) hours and the employee only works eleven (11) hours.

2. Unscheduled Overtime Shifts

- a. When an employee commences work on a shift in excess of ten (10) hours but such employee ultimately works more than the originally scheduled hours, such a shift would be defined as an unscheduled overtime shift. For example, the shift is scheduled to be eleven (11) hours but the employee ultimately works twelve (12) hours.
- b. When an employee commences work on a shift of ten (10) hours or less but such employee ultimately works in excess of ten (10) hours, such a shift would also be defined as an unscheduled overtime shift. For example, the shift is scheduled to be eight (8) hours but the employee ultimately works eleven (11) hours.

B. Objective

The objective of this Letter of Understanding is to address the practical differences between providing for second (2nd) (and subsequent) meal breaks on scheduled shifts in excess of ten (10) hours, and providing for second (2nd) (and subsequent) meal breaks on unscheduled overtime shifts in excess of ten (10) hours.

C. Paid Meal Breaks and Hot Meals

Notwithstanding any/all contrary interpretation of this Letter of Understanding, the second (2nd), third (3rd) and any/all subsequent meal breaks shall be paid for by the Employer at the otherwise applicable straight time hourly wage rate. Second (2nd), third (3rd) and subsequent meals shall be a hot meal wherever possible and shall be supplied by the Employer. In the event that a hot meal is not supplied, the Employer shall pay a meal allowance to each affected Employee in lieu thereof. The amount shall be twenty-three dollars (\$23.00), or the amount specified by CRA as reasonable for an overtime meal allowance.

D. Meal Breaks on Scheduled Shifts**1. Scheduled Shifts In Excess of Ten (10) Hours**

Two (2) meal breaks of one-half (½) hour each shall be provided on all scheduled shifts in excess of ten (10) hours, up to and including twelve (12) hours.

- a. The first one-half (½) hour meal break shall be scheduled as near as is practical to the one-third (⅓) point of the shift and shall not be considered as time worked/earned.
- b. The second one-half (½) hour meal break shall be scheduled as near as is practical to the two-thirds (⅔) point of the shift and shall not be considered as time worked/earned.

c. Example - Scheduled Shift of Twelve (12) Hours

4.0 hours	8:00 am to 12:00 noon work (straight time or overtime as the day/shift warrants)
0.5 hours	12:00 noon to 12:30 pm first meal break (not paid)
4.0 hours	12:30 pm to 4:30 pm work (straight time or overtime as the day/shift warrants)
0.5 hours	4:30 pm to 5:00 pm second meal break (payable at straight time)
4.0 hours	5:00 pm to 9:00 pm work (straight time or overtime as the day/shift warrants)

2. Scheduled Shifts in Excess of Twelve (12) Hours

Three (3) meal breaks of one-half (½) hour each shall be provided on all scheduled shifts in excess of twelve (12) hours, up to and including sixteen (16) hours.

- a. The first one-half (½) hour meal break shall be scheduled as near as is practical to the one-quarter (¼) point of the shift and shall not be considered as time worked/earned.

- c. The third one-half (½) hour meal break shall be scheduled as near as is practical to the three-quarters (¾) point of the shift and shall not be considered as time worked/earned.
- d. **Example - Scheduled Shift of Fourteen (14) Hours**

3.5 hours	8:00 am to 11:30 am work (straight time or overtime as the day/shift warrants)
0.5 hours	11:30 am to 12:00 noon first meal break (not paid)
3.5 hours	12:00 noon to 3:30 pm work (straight time or overtime as the day/shift warrants)
0.5 hours	3:30 pm to 4:00 pm second meal break (payable at straight time)
3.5 hours	4:00 pm to 7:30 pm work (straight time or overtime as the day/shift warrants)
0.5 hours	7:30 pm to 8:00 pm third meal break (payable at straight time)
3.5 hours	3.5 hours

E. Meal Breaks on Unscheduled Overtime Shifts

The parties acknowledge that it is the "unscheduled" nature of an unscheduled overtime shift that complicates the process of definitively scheduling meal breaks on such shifts.

Option #1 - Early Decision to Work Unscheduled Overtime

If a decision to work extended hours on a shift occurs early enough after the commencement of such shift to allow for the application of either item D1 or D2, such application shall prevail. For example, Employees report to the project and commence work on an eight (8) hour shift, however, prior to eight (8) hours of work being completed it is determined that unscheduled overtime will be required. This unscheduled overtime will extend the shift to a total of twelve (12) hours. In such a situation, the example schedule provided for in item D1 would apply. The same would be true even if the original shift was a nine (9) hour or ten (10) hour shift.

Option #2 - Late Decision to Work Unscheduled Overtime

If a decision to work extended hours on a shift does not occur early enough after the commencement of such shift to allow for the application of either item D1 or D2, either the default provision or flexible provision (see below for details) shall apply. For example, Employees report to the project and commence work on a ten (10) hour shift. However, it is not determined that unscheduled overtime will be required until nine and one-half (9½) hours of the shift has already been worked. As a result, it is impossible to take the second (2nd) meal break after eight (8) hours.

a. Default Provision

The Option #2 default provision is for the second (2nd) meal break to take place as quickly as practical after the determination that unscheduled overtime will be required.

APPENDIX "C" – LETTER OF UNDERSTANDING (LOU) RE: MEAL BREAKS

Cont'd

For example, Employees report to the project and commence work on a ten (10) hour shift. However, after nine and one-half (9½) hours of work has been completed it is determined that two (2) hours of unscheduled overtime will be required. In such a situation, the second (2nd) meal break would take place immediately, providing this can be accomplished without any significant negative impact on the efficiency of the work being performed.

b. Flexible Provision

The Option #2 flexible provision requires the Employer (or the on-site representative of the Employer) to first achieve the mutual agreement of the majority of the affected Employees. If this is not possible, then the default provision shall prevail. The intent of the flexible provision is to provide both the Employer and Employees with the ability to adjust the scheduling of second (2nd) and subsequent meal breaks to the realities of the project and work being performed. The typical application of the flexible provision would be to delay the second meal break until the conclusion of work on the shift.

For example, Employees report to the project and commence work on a ten (10) hour shift. However, after ten (10) hours of work has been completed it is determined that one-half (½) hour of unscheduled overtime will be required. In such a situation, the Employer would consult with all of the affected Employees in order to determine if a majority of the crew wishes to delay the second meal break until after the one-half (½) hour of unscheduled overtime has been completed. If mutual agreement is achieved, the following schedule would prevail. If mutual agreement is not achieved, the default provision would prevail.

5.0 hours	7:00 am to 12:00 noon work (straight time or overtime as the day/shift warrants)
0.5 hours	12:00 noon to 12:30 pm first meal break (not paid)
5.0 hours	12:30 pm to 5:30 pm work (straight time or overtime as the day/shift warrants)
0.5 hours	5:30 pm to 6:00 pm work (overtime)
0.5 hours	6:00 pm to 6:30 pm second meal break (payable at straight time)

The typical application of this schedule would allow for Employees to depart for home at 6:30 pm, and be paid the meal allowance in lieu of the hot meal.
