ARTICLE 1.000 – OBJECTS

The objects of this Agreement are to establish fair, reasonable and safe working conditions which will provide a mutually beneficial employment relationship between employees and Employers; an effective training strategy which will contribute to the development of a qualified and multi-skilled workforce that will elevate the trade; a mutually agreed upon method to facilitate the peaceful resolution of all disputes and grievances; prevent strikes and lockouts; and to avoid unnecessary waste of time and expense in the settlement of disputes connected with the industry.

ARTICLE 2.000 – EFFECTIVE DATE AND DURATION

- 2.100** This Agreement shall be for the period from and including May 1, 2023, to and including April 30, 2026, and from year to year thereafter subject to the right of either Party to this Agreement, within four (4) months immediately preceding the date of expiry of this Agreement, which is April 30, 2026, or immediately preceding the last day of April in any year thereafter, by written notice to require the other Party to this Agreement to commence collective bargaining.
- 2.200** Should either Party give written notice to the other Party pursuant hereto, this Agreement shall thereafter continue in full force and effect until the Union shall give notice of strike, or the Employer shall give notice of a lockout, or the Parties shall conclude a renewal or revision of this Agreement, or a new collective agreement.
- 2.300** The operation of Sections 50(2) and 50(3) of the *Labour Relations Code* are hereby excluded.
- 2.400** A copy of this Agreement shall be filed with the LRB.

ARTICLE 3.000 – EXTENT

3.100 Recognition

The Employer recognizes the Union as the exclusive bargaining agent for all employees in the bargaining unit, and the Union recognizes CLR as the exclusive bargaining agent for all CLR members who have authorized the Association to sign this Agreement on their behalf.

3.200 Management Rights and Subcontracting

- 3.201** The Employer may subcontract work under the following conditions:
- (a) it does not possess the necessary facilities or equipment;
 - (b) it does not have and/or cannot acquire the required manpower;
 - (c) there is a joint bid on a project which requires the work be subcontracted to the other party of the bid;
 - (d) it cannot compete in terms of costs on portions of the scope of work; and/or,

- (e) the prime contractor requires the contractor to accept the lowest qualified tender price for all subcontracted work.

3.202 Where the Employer anticipates that subcontracting circumstances may exist, they must:

- (a) Notify the Union with as much notice as possible, but not less than 72 hours before a bid closing deadline. It is agreed that this notice provision can be limited by unusual circumstances;
- (b) Allow the Union the opportunity to propose alternate contractors or other measures to encourage union bidders provided this does not impact timing of bid submission or work schedule;
- (c) Give timely notification to the union when engaging any subcontractor on jobs not captured by the foregoing.

3.203 Nothing in the foregoing waives the requirement that there will be no non-union subcontracting on Concert Properties projects.

3.300 Application, Work Jurisdiction and Affiliation

Without restricting Article 3.000 in any way, the Parties expressly agree to the following.

3.301 Application

This Agreement shall only govern commercial and/or institutional work which is within the work jurisdiction of the painters and which is being performed in the Province of British Columbia by bargaining unit members who are employees of the Employer on a project. Refer also to Article 3.302.

One (1) employer representative who is not a member of the Union shall be permitted to work and/or provide direction on a project.

3.303 Affiliation

- (a) Subject to reasonable notice given to the Employer, it shall not be a violation of this Agreement for the Union to withdraw its members from a project(s) for rendering assistance to labour organizations, and/or refusal on the part of Union members to handle any materials, equipment or product declared unfair by Building Trade Councils, or manufactured, assembled, or produced by an Employer whose employees are on strike against or are locked out by an Employer.

- (b) The Union shall not restrict, in any way or for any reason, an Employer's right to contract for work on a project and to complete such work in a cost efficient manner. The foregoing shall apply regardless of the union affiliation, or lack thereof, of any individual who may also be working on such project, and/or the work such individuals may be performing.
- (c) Without limiting the application of Article 3.303(b), the Union shall not attempt to exert pressure upon an Employer for performing work on any project, nor shall the Union withdraw its members from any project or threaten to do so, unless otherwise permitted by the *Labour Relations Code*.

ARTICLE 12.000 – JOINT LABOUR/MANAGEMENT INITIATIVES

12.100 DC38 Joint Trade Society

The parties shall abide by the Constitution and Bylaws of the DC38 Joint Trade Society, with respect to the operation of such Society. The terms of this Agreement shall supersede the Constitution and Bylaws of the DC38 Joint Trade Society in the event of an inconsistency between the two (2) documents.

12.200 Commercial/Institutional Painters Joint Labour/Management Committee (PJLMC)

Refer to Appendix "E" for details.

ARTICLE 13.000 – ENABLING PROVISIONS

13.100 Process

13.101 The Union and an Employer(s) may determine on a project by project, area, or sector basis, if special dispensation is required to become competitive, and should the necessity arise, may by mutual agreement, in writing, amend or delete terms or conditions of this Agreement for the duration of the project. It shall be a violation of this Agreement for the Parties to agree to the reduction and/or elimination of any joint industry funds negotiated between the BCBCBTU and CLR (e.g. Rehabilitation Fund) or individual dues

to umbrella organizations, without the specific prior written consent of the BCBCBTU and CLR.

13.102 Article 13.000 is specifically intended to provide Employers with competitive relief where deemed necessary. As a result, unless otherwise mutually agreed to in writing by the Union and CLR, no enabling package, or individual term or condition therein, shall include a provision, not already provided for in this Agreement, which in any way either increases the Employer's cost and/or decreases the Employer's flexibility with respect to any term of this Agreement. Refer to Article 13.103 for further details and examples.

13.103 The following example is offered to clarify the intent of Article 13.102. It is not meant to be inclusive of every possible situation, but merely to illustrate potential circumstances which could ultimately arise.

- If the Union provides competitive relief (e.g. reduction of rates, relaxation of crewing ratio restrictions, suspension of premiums, broadening of start time flexibility, mobility of members, etc.), but makes such relief contingent upon the Employer purchasing material from a Union signatory supplier, and/or waiving their right to utilize existing name request and/or recall provisions, then such contingency shall not be enforceable.

13.200 Participation

13.201 In recognition of the close working relationship on projects between the Union and other BCBCBTU affiliates, the Parties acknowledge the need for enabling relief to be generally consistent. As a result, the Parties agree to work towards achieving this objective wherever possible. Notwithstanding the foregoing, the Parties also acknowledge the individual autonomy of the Union and agree that nothing herein shall be interpreted as an agreement to limit that autonomy in any way.

13.202 Unless otherwise mutually agreed to in writing by the Parties, neither the Union nor an individual Union Local shall decline to participate in good faith in the process contemplated by Article 13.000 of this Agreement. The Parties expressly agree that the Union and/or an individual local of the Union would be in violation of foregoing if the Union and/or an individual local of the Union were to decline an Employer's enabling request pursuant to either a formal or informal (i.e. blanket) policy of refusal. Individual union members shall retain the right to refuse a dispatch to an enabled project, but neither the Union nor an individual local of the Union shall encourage or otherwise counsel its members to do so.

ARTICLE 14.000 – GRIEVANCE PROCEDURE

14.100 Definition

14.101 (a) A grievance shall be defined as any "difference" between the Parties to this Agreement with respect to its interpretation, application, operation or any alleged violation thereof, including discharge for cause alleged to be unjust by the Union. Discharge shall not include layoff of employees for reason of project efficiency or reduction of forces on suspension or completion of work.

- (b) The party initiating a grievance shall be referred to herein as the aggrieved party. The other party to a grievance shall be referred to as the responding party.

14.102 The two (2) parties to any formal grievance shall be the two (2) parties signatory to this Agreement, namely the Union and CLR (acting on its own behalf and/or on behalf of its respective signatory member Employers). The parties expressly agree that an individual local of the Union does not have the right to initiate a formal grievance unless/until such grievance has been duly authorized in accordance with the Union's prevailing policies, where such prevailing policies exist. Likewise, the parties expressly agree that an individual Employer does not have the right to unilaterally initiate or defend a formal grievance on its own behalf without the prior written authorization of CLR.

14.200 Time Limits

14.201 In order to initiate a formal grievance, the aggrieved party must provide written notification to the responding party within thirty (30) calendar days of the date on which the underlying "difference" is alleged to have occurred. Such notification shall include all relevant particulars of the formal grievance and all relevant and reliance documentation. The parties expressly agree that a formal grievance shall not be deemed to have been initiated unless/until the responding party has actually received a copy of the required written notification from the aggrieved party. All time limits shall be strictly enforced.

14.202 In the event of an alleged error on a pay cheque, such "difference" shall be deemed to have occurred on the date the pay cheque stub was received by the aggrieved employee. Likewise, in the event of an alleged error on the Employer's monthly remittance report, such "difference" shall be deemed to have occurred on the date the remittance report was received by the Union.

14.300 Step 1 (Informal Resolution)

Once a formal grievance has been initiated, the parties shall make a concerted good faith effort to work out a mutually agreeable resolution. Notwithstanding the foregoing, unless otherwise mutually agreed by the parties in writing, the aggrieved party shall be deemed to have abandoned the formal grievance in the event notice of referral to Mr. Michael Fleming (in accordance with Article 14.400) has not been received by the responding party within sixty (60) calendar days of the date on which the underlying "difference" is alleged to have occurred. Refer to Article 14.202 for clarification on the interpretation of "occurred".

14.400 Step 2 (Formal Resolution)

The parties expressly agree that the Step 2 is an integral component of the Grievance Procedure in accordance with this Agreement.

If the parties are unable to work out a mutually agreeable resolution in accordance with Article 14.300, either party may refer the formal grievance to Mr. Michael Fleming for final and conclusive determination as follows. Notice of such referral shall be provided, in writing, to both the responding party and Mr. Fleming. In the event Mr. Fleming is not available to the parties, the parties shall mutually agree upon a replacement. (Note: The parties expressly agree that all references to Mr. Michael Fleming within Article 14.000 shall be interpreted as "Mr. Fleming or

his replacement” in the event a replacement for Mr. Fleming is mutually agreed upon in accordance with such Article.)

14.401 Mr. Fleming shall meet with the parties and shall attempt to facilitate a mutually agreeable resolution.

14.402 (a) In the event Mr. Fleming is unable to facilitate a mutually agreeable resolution in accordance with Article 14.401, each party shall be required to submit a proposed determination/award, in writing, to Mr. Fleming. Mr. Fleming shall determine his own procedure, including timing, for such submissions. Upon receipt of both proposed determinations/awards, Mr. Fleming shall provide a copy to each party.

(b) Mr. Fleming shall consider the relative merits of each of the proposed determinations/awards, and shall select one (1) of the proposed determinations/awards in its entirety, and may not impose any alternative and/or modified determination/award without the prior mutual agreement of the parties.

(c) Mr. Fleming shall provide a summary of the reasons for his decision within his award.

14.403 Mr. Fleming shall have and may exercise all powers of a mediator/arbitrator pursuant to the *Labour Relations Code*.

14.404 The parties may mutually agree, in writing, to any other grievance resolution procedure which they agree is appropriate under the circumstances.

14.500 Expenses

Each party shall be responsible for one hundred percent (100%) of any/all “party specific” costs, and fifty percent (50%) of any/all “joint” costs, which may be incurred during the informal and formal grievance resolution process.

ARTICLE 15.000 – SAVINGS CLAUSE

15.100 In the event that any clause, section or article of this Agreement should be held invalid by operation of law, or by a tribunal of competent jurisdiction, or if compliance with or enforcement of any clause, section or article should be restrained by such tribunal, pending a final determination as to its validity, the remainder of this Agreement or the application of such clause, section or article to persons or circumstances, other than those as to which it has been held invalid, or as to which compliance with or enforcement of has been restrained, shall not be affected thereby.

15.200 In the event that any clause, section or article of this Agreement should be held invalid, or enforcement of, or compliance with which has been restrained, as above set forth, the Parties affected thereby shall enter into immediate collective bargaining negotiations, upon the request of either Party, for the purpose of arriving at a mutually satisfactory replacement for such clause, section or article during the period of invalidity or restraint.

15.300 In the event the Parties do not agree on such a mutually satisfactory replacement, they shall submit the dispute to the grievance procedure in accordance with Article 14.000.

The "per road kilometre" amounts which shall be payable pursuant to Article 7.102(b), and Article 8.200 shall be the maximum allowable tax-free rate for mileage expense reimbursement as published annually by the Canada Revenue Agency.

APPENDIX "D"**LETTER OF INTERPRETATION RE: MEAL BREAKS**

The following terms and conditions shall supersede any/all contrary application and/or interpretation of the Painters Standard Commercial/Institutional Agreement. In particular, the Parties agree that the provisions of this Letter of Interpretation are applicable only on shifts in excess of ten (10) hours.

Where mutual agreement is referenced within this Letter of Interpretation, the voluntary consent of the majority of Employees on a crew shall be required in order for such agreement to have been achieved.

A. Shifts in Excess of Ten (10) Hours

The Parties agree that shifts in excess of ten (10) hours occur as a result of either a "Scheduled Shift" or an "Unscheduled Overtime Shift". Each of these Shifts is defined below by way of an example. Such definitions shall apply only for the purposes of this Letter of Interpretation.

1. Scheduled Shifts

When an Employee commences work on a shift in excess of ten (10) hours and such Employee only works the originally scheduled hours, such a shift would be defined as a Scheduled Shift. For example, the shift is scheduled to be eleven (11) hours and the Employee only works eleven (11) hours.

2. Unscheduled Overtime Shifts

- a. When an Employee commences work on a shift in excess of ten (10) hours but such Employee ultimately works more than the originally scheduled hours, such a shift would be defined as an Unscheduled Overtime Shift. For example, the shift is scheduled to be eleven (11) hours but the Employee ultimately works twelve (12) hours.
- b. When an Employee commences work on a shift of ten (10) hours or less but such Employee ultimately works in excess of ten (10) hours, such a shift would also be defined as an Unscheduled Overtime Shift. For example, the shift is scheduled to be eight (8) hours but the Employee ultimately works eleven (11) hours.

B. Objective

The objective of this Letter of Interpretation is to address the practical differences between providing for second (and subsequent) meal breaks on Scheduled Shifts in excess of ten (10) hours, and providing for second (and subsequent) meal breaks on Unscheduled Overtime Shifts in excess of ten (10) hours.

C. Paid Meal Breaks and Hot Meals

Notwithstanding any/all contrary interpretation of this Letter of Interpretation, the second, third and any/all subsequent meal breaks shall be paid for by the Employer at the otherwise applicable straight time hourly wage rate. Second, third and subsequent meals shall be a hot meal wherever possible and shall be supplied by the Employer. Notwithstanding the foregoing, in

the event that a hot meal is not supplied, the Employer shall pay a twenty-three dollar (\$23.00), or the amount specified by CRA as reasonable for an overtime meal allowance, meal allowance to each affected Employee in lieu thereof.

D. Meal Breaks on Scheduled Shifts

1. Scheduled Shifts In Excess of Ten (10) Hours

Two (2) meal breaks of one-half ($\frac{1}{2}$) hour each shall be provided on all Scheduled Shifts in excess of ten (10) hours, up to and including twelve (12) hours.

- a. The first one-half ($\frac{1}{2}$) hour meal break shall be scheduled as near as is practical to the one-third (a) point of the shift and shall not be considered as time worked/earned.
- b. The second one-half ($\frac{1}{2}$) hour meal break shall be scheduled as near as is practical to the two-thirds (b) point of the shift and shall not be considered as time worked/earned.

c. Example – Scheduled Shift of Twelve (12) Hours

4.0 hours	8:00 am to 12:00 noon	work (straight time or overtime as the day/shift warrants)
0.5 hours	12:00 noon to 12:30 pm	first meal break (not paid)
4.0 hours	12:30 pm to 4:30 pm	work (straight time or overtime as the day/shift warrants)
0.5 hours	4:30 pm to 5:00 pm	second meal break (payable at straight time)
4.0 hours	5:00 pm to 9:00 pm	work (straight time or overtime as the day/shift warrants)

2. Scheduled Shifts in Excess of Twelve (12) Hours

Three (3) meal breaks of one-half ($\frac{1}{2}$) hour each shall be provided on all Scheduled Shifts in excess of twelve (12) hours, up to and including sixteen (16) hours.

- a. The first one-half ($\frac{1}{2}$) hour meal break shall be scheduled as near as is practical to the one-quarter ($\frac{1}{4}$) point of the shift and shall not be considered as time worked/earned.
- b. The second one-half ($\frac{1}{2}$) hour meal break shall be scheduled as near as is practical to the one-half ($\frac{1}{2}$) point of the shift and shall not be considered as time worked/earned.
- c. The third one-half ($\frac{1}{2}$) hour meal break shall be scheduled as near as is practical to the three-quarters ($\frac{3}{4}$) point of the shift and shall not be considered as time worked/earned.

d. Example – Scheduled Shift of Fourteen (14) Hours

3.5 hours	8:00 am to 11:30 am	work (straight time or overtime as the day/shift warrants)
0.5 hours	11:30 am to 12:00 noon	first meal break (not paid)
3.5 hours	12:00 noon to 3:30 pm	work (straight time or overtime as the day/shift warrants)
0.5 hours	3:30 pm to 4:00 pm	second meal break (payable at straight time)
3.5 hours	4:00 pm to 7:30 pm	work (straight time or overtime as the day/shift warrants)
0.5 hours	7:30 pm to 8:00 pm	third meal break (payable at straight time)
3.5 hours	8:00 pm to 11:30 pm	work (overtime as the day/shift warrants)

E. Meal Breaks on Unscheduled Overtime Shifts

The Parties acknowledge that it is the “unscheduled” nature of an Unscheduled Overtime Shift that complicates the process of definitively scheduling meal breaks on such shifts.

Option #1 – Early Decision to Work Unscheduled Overtime

If a decision to work extended hours on a shift occurs early enough after the commencement of such shift to allow for the application of either item D1 or D2, such application shall prevail. For example, Employees report to the project and commence work on an eight (8) hour shift, however, prior to eight (8) hours of work being completed it is determined that unscheduled overtime will be required. This unscheduled overtime will extend the shift to a total of twelve (12) hours. In such a situation, the example schedule provided for in item D1 would apply. The same would be true even if the original shift was a nine (9) hour or ten (10) hour shift.

Option #2 – Late Decision to Work Unscheduled Overtime

If a decision to work extended hours on a shift does not occur early enough after the commencement of such shift to allow for the application of either item D1 or D2, either the default provision or flexible provision (see below for details) shall apply. For example, Employees report to the project and commence work on a ten (10) hour shift. However, it is not determined that unscheduled overtime will be required until nine and one-half (9½) hours of the shift has already been worked. As a result, it is impossible to take the second meal break after eight (8) hours.

a. Default Provision

The Option #2 default provision is for the second meal break to take place as quickly as practical after the determination that unscheduled overtime will be required. For example, Employees report to the project and commence work on a ten (10) hour shift. However, after nine and one-half (9½) hours of work has been completed it is determined that two (2) hours of unscheduled overtime will be required. In such a situation, the second meal break would take place immediately, providing this can be accomplished without any significant negative impact on the efficiency of the work being performed.

b. Flexible Provision

The Option #2 flexible provision requires the Employer (or the on-site representative of the Employer) to first achieve the mutual agreement of the majority of the affected Employees. If this is not possible, then the default provision shall prevail. The intent of the flexible provision is to provide both the Employer and Employees with the ability to adjust the scheduling of second and subsequent meal breaks to the realities of the project and work being performed. The typical application of the flexible provision would be to delay the second meal break until the conclusion of work on the shift.

For example, Employees report to the project and commence work on a ten (10) hour shift. However, after ten (10) hours of work has been completed it is determined that one-half (½) hour of unscheduled overtime will be required. In such a situation, the Employer would consult with all of the affected Employees in order to determine if a

majority of the crew wishes to delay the second meal break until after the one-half (½) hour of unscheduled overtime has been completed. If mutual agreement is achieved, the following schedule would prevail. If mutual agreement is not achieved, the default provision would prevail.

5.0 hours	7:00 am to 12:00 noon	work (straight time or overtime as the day/shift warrants)
0.5 hours	12:00 noon to 12:30 pm	first meal break (not paid)
5.0 hours	12:30 pm to 5:30 pm	work (straight time or overtime as the day/shift warrants)
0.5 hours	5:30 pm to 6:00 pm	work (overtime)
0.5 hours	6:00 pm to 6:30 pm	second meal break (payable at straight time)

The typical application of this schedule would allow for Employees to depart for home at 6:00 pm, and be paid the meal allowance in lieu of the hot meal.
