Days worked after January 1, 1976 will be accumulated to establish the former auxiliary's service seniority.

During the probationary period, the Employer may dismiss the Employee for just and reasonable cause. The test of just and reasonable cause for dismissal of a probationary Employee shall be a test of suitability of the probationary Employee for continued employment in the position to which they have been appointed, provided that the factors involved in suitability could reasonably be expected to affect work performance.

Upon successful completion of probation, a regular Employee shall be confirmed in the position by the Employer. In a case involving a promotion or lateral transfer, the unsuccessful candidate shall revert to a

position at the same level occupied prior to the promotion or lateral transfer.

- (c) If a workforce reduction is necessary, representatives of the Employer and the Union will canvass Employees in the area identified for reduction over a five (5) work day period, or a longer period agreed to by the parties, to find volunteer solutions that provide as many viable options as possible to minimize potential layoffs.
- (d) Menu of Labour Adjustment Strategies

To minimize layoffs, the following menu of labour force adjustment strategies will be considered, and, whenever possible, offered to Employees:

- Job Sharing
 - Reduced hours of work through partial leaves
 - Transfers to other areas within the bargaining unit subject to available work and meeting qualifications, with minimal training required

 - Combinations and variations of the above or other alternatives
- (e) While various options may be considered and offered, there will be no stacking of benefits.
 - (f) Once strategies other than layoffs have been explored, the Employer may proceed, if need be, with the pre-layoff canvass.

12.2 Pre-Layoff Canvass

- (a) Where the Employer identifies to the Union a need to proceed with a layoff of Employees pursuant to Article 12.1, the Employer shall, prior to issuing a layoff notice to any Employee under Article 12, canvass any Employee or group of Employees within the area identified for reduction in order to invite on a voluntary basis:

- (b) Where an Employee(s) selects an option or accepts an offer of placement, which shall be confirmed in writing by the Employer, such acceptance is final and binding on the Employee.
- (c) Responses from Employees to the Pre-Layoff canvass will only be received by the Employer for consideration if submitted within ten (10) days of issuance of a written notice to the Employee or group of Employees within the area identified for reduction and to the Union of the Pre-Layoff Canvass.
- (d) Where the number of Employees choosing to exercise their options under this provision exceeds the number of positions to be reduced, the determination shall be on the basis of seniority.

12.4 Notice of Layoff

Where a regular Employee is to be laid off by the Employer, ten (10) weeks' notice shall be given. If the Employee has not had the opportunity to work for the full period of notice, they shall be paid in lieu of work for that part of the notice period during which work was not available.

12.5 Regular Employees and Layoff

(a) A regular Employee who is to be laid off shall elect:

- (1) to displace an Employee with less service seniority in accordance with Article 12.5(b) or 12.5(c). Where an Employee elects to displace another Employee with less service seniority, they shall notify the Employer within ten (10) days of their receipt of notice of layoff; or

Where an Employee exercises their right to displace an Employee with less service seniority, the Union and the Bargaining Unit Chair shall be notified in writing by copy of the acknowledgement letter to the Employee. The Employee will not receive an amount greater than six (6) months' current salary as severance pay.
- (5) An Employee may defer receiving severance pay pursuant to 12.5(a)(4) for eighteen (18) months and remain on recall in accordance with 12.5(a)(3).

In the event that such laid off Employee is not recalled to a regular position during the eighteen (18) month recall period, they shall then be eligible to receive a severance pay amount equal to that which they would have been eligible for, had the option pursuant to 12.5(a)(4) been elected at the time of their original layoff.

A recall pursuant to Article 12.6(d) shall not extend the original eighteen (18) month recall period to which this deferral of severance pay applies. If, upon the expiry of this eighteen (18) month deferral period, the laid off Employee is working pursuant to a recall under 12.6(d), the Employee shall be given the opportunity to resign from such employment at the

end of the assignment and receive the deferred severance pay or maintain their employment status and rights in accordance with Article 12 of the Collective Agreement.

- (6) If an Employee does not elect option (1) or (5) within ten (10) working days, they shall not be eligible to displace another Employee. An Employee shall advise the Employer within six (6) weeks of receiving notice of layoff which of options (2), (3) or (4) they elect.
- (b) A regular Employee, subject to layoff, who has less than three (3) years' service seniority and who has the necessary skills, abilities and qualifications may fill a vacancy that is to be filled, or displace an Employee who has less service seniority, within the same department. The Employee who is displaced, in the event more than one possibility exists, shall be the one with the least service seniority.

Displacement of an incumbent Employee shall not occur in a course of a specified length during the last two weeks (2) of training.

For such periods of delay, an Employee will not be paid their salary, however, they may utilize first their Unused Unscheduled Annual Leave entitlement and secondly their Scheduled Annual Leave entitlement. During any period of delay, all other terms of the Collective Agreement will apply.

Article 13.3(i) shall apply.

Displacement shall not occur if it would constitute a promotion.

- (c) A regular Employee, subject to layoff, who has three (3) years' or more service seniority, and who has the necessary skills, abilities and qualifications may fill a vacancy that is to be filled, or displace an Employee who has less service seniority:

- | | |

The Employee who is displaced in the event more than one possibility exists shall be the one with the least service seniority within the appropriate stage.

Displacement of an incumbent Employee shall not occur in a course of a specified length during the last two (2) weeks of training.

For such a period of delay, an Employee shall utilize their Unused Unscheduled Annual Leave entitlement after which the Employer will pay the Employee at their regular salary for the balance of the period that they are unable to displace an incumbent Employee, but at its option, the Employer may assign the Employee to alternative duties.

Article 13.3(i) shall apply.

Displacement shall not occur if it would constitute a promotion.

- (d) If at the time of layoff, a subsequent appointment for the Employee has been approved and the accrued and unused annual leave is equal to or greater than the layoff period, the Employee may schedule their annual leave within the layoff period. - (e) Employees who displace an Employee with less seniority will be protected by Article 26.7(b).

However, the Employee must accept job offers in higher rated positions in the Bargaining Unit for which they have the necessary skills, abilities and qualifications, or forfeit the protection of 26.7(b).

- (f) A layoff notice given to a regular Employee will not be rescinded by the Employer unless by mutual agreement with the Employee once the Employee has elected either of the severance or early retirement options.

12.6 Recall

- (a) An Employee on layoff from a regular ongoing position shall, prior to posting, be offered any regular vacancy or temporary vacancy in the Bargaining Unit which is to be filled within eighteen (18) months of the date of layoff, and for which the Employee has the necessary skills, abilities and qualifications to perform the work. An Employee on layoff shall be recalled in order of service seniority. Temporary Employees shall be recalled after regular Employees.

A laid off regular Employee will have precedence over any other Employee for the vacancy. The order of seniority will be used between laid off Employees to determine to whom the vacancy is offered.

- (b) The Employer shall notify laid off Employees of such vacancies. It is the responsibility of the laid off Employee to ensure that the Employer is duly notified of their current address, telephone number, and valid email address. Notification shall not be limited to one method of contact.
- (c) An Employee shall not accumulate seniority while on layoff.
- (d) A laid off Employee who has received notice or pay in lieu of notice and is recalled for a period of three (3) months or less or for Short Term Disability relief of up to four (4) months, shall not be entitled to receive notice or pay in lieu of notice if laid off again within this period.
- (e) A laid off Employee(s) who has received notice or pay in lieu of notice and is recalled and works for a period in excess of the periods defined in (d) above shall be entitled to receive notice or pay in lieu of notice in accordance with Article 12.4. Where a period of layoff between recall periods is two (2) weeks or less, the recall periods shall be considered to be one period for the purposes of 12.6(e). In these circumstances, where the recall period includes periods of Short Term Disability relief adding up to four (4) months or less, Article 12.6(d) shall apply. If the recall period includes periods of Short Term Disability relief adding up to more than four (4) months, then Article 12.6(e) shall apply.
- (f) Regular Employees who are recalled shall accumulate regular service seniority for the period of work for which they have been recalled. Upon completion of regular, temporary, or CE/PTS/IS work and for the purposes of Article 10.3(c) they shall re-establish their right to a further recall period as specified in Article 12.6(a).
- (g) An Employee who has received pay in lieu of notice pursuant to Article 12.4 will not be paid for any overlap in time if they are recalled before the equivalent period of notice is exhausted.

12.7 Conversion to Permanent Ongoing Status

Where an employee has become a regular employee through the application of Article 31.1, and where that employee has not been recalled to an ongoing position, but has been employed in temporary contracts pursuant to Article 12.6(d) and 12.6(e) for three (3) consecutive years without a three (3) consecutive month gap in employment, the Labour/Management Committee will review the employee's work history and make a recommendation to the employee's Dean and Associate Dean regarding regular permanent employment. The Labour/Management Committee will take into consideration the following factors, including, but not limited to:

- (1) The expectation of ongoing work in the program.
- (2) The nature of the previous temporary appointments (i.e. backfill, non backfill, industry services etc).
- (3) Enrolment forecasts, labour market studies and waitlists for the program/department.
- (4) Industry trends and utilization rates within the program.
- (5) The employee's ability to perform the full scope of instructional duties within the department.
- (6) The employee's average FTE status over the employee's three (3) consecutive years of employment.
- (7) The current and expected funding sources for the program.
- (8) The employee has acquired their Provincial Instructor Diploma (PID) or equivalent.

The Labour/Management Committee will meet biannually, on or about May 1 and October 1 of each year, to review employees who meet this threshold.

The Parties to the Labour/Management Committee may make recommendations related to permanent employment, FTE and other conditions which may require a memorandum of agreement between the Parties.

The Parties to the Labour/Management Committee will make reasonable efforts to come to a consensus recommendation. If the Parties are unable to provide a consensus recommendation, either Party may submit an independent recommendation to the Dean and Associate Dean.

Where an employee is converted under this language to permanent ongoing status, and where there is a need to conduct a layoff under Article 12 within two (2) years of the employee's conversion, the employer will have the option of (a) conducting a layoff under Article 12 or (b) providing the least senior regular employee(s) that was converted with a severance payment as described in Article 12.5(a)(4) and all other rights under Article 12 will be waived.

In the event that the Union disagrees with the Dean's decision, it may refer the matter to an arbitrator for determination of whether the Employer acted in a reasonable manner. Such referral shall take place within thirty (30) days of being advised of the Dean's decision. The Parties agree that this is the mechanism for dealing with any dispute related to a decision under this article.

Nothing in this article prevents the Union from discussing the conversion of employees to regular permanent employment at Labour/Management Committee meetings prior to an employee's three (3) year threshold being met, however, the provisions in this article shall not apply in these circumstances.

ARTICLE 13 - HOURS OF WORK/CAREER DEVELOPMENT

If the Employee chooses an option, the employee, the Employee's manager and Human Resources must discuss and agree to the details of the option, such as retirement date, length and FTE of a pre-retirement assignment, amount of pension buyback, etc.
- (6) Once an agreement has been reached on the early retirement details for the highest ranked Employee on the list, then Human Resources will contact the next ranked Employee and do the same thing.
- (7) If, at any point, the remaining monies in the Fund will not cover the cost of the option of the Employee under question, but will cover the cost of the option of a lower ranked Employee, then the option of the latter Employee may be considered.
- (8) Human Resources will continue this process until all the monies in the Fund have been allocated, or until all the applicants are considered. Human Resources will then forward to the Labour/Management Committee the list of Employees who have elected one of the early retirement options and the cost of the option chosen by each Employee.
- (9) The Labour/Management Committee will review the list and grant final approval of each early retirement incentive elected by Employees.
- (10) Human Resources will advise Employees in writing that the Labour/Management Committee has approved their application and confirm the details of the incentive they are to receive.

(f) The retirement options that may be considered are:

- (1) Early Retirement Incentive Payment, as outlined in Article 19.17 of the Collective Agreement. Employees who accept this early retirement incentive offer shall resign from the Institute on a date mutually agreed to between the Employee and the Institute.
- (2) Partial Early Retirement with prorated incentive, as described in Article 19.17 of the Collective Agreement. This option will require the agreement of the Employee's manager and the period of part-time work will be no longer than one year. Employees who accept their early retirement incentive offer shall resign from the Institute on a date mutually agreed to between the Employee and the Institute. In addition, in calculating the cost of this option, the cost of any benefit coverage for an Employee backfilling the partial early retirement of the Employee must be included.
- (3) Pension Buyback. Both the Employer and Employee's contributions will be paid out of the

Fund. Employees who accept this early retirement incentive offer shall resign from the Institute on a date mutually agreed to between the Employee and the Institute.

- (g) Employees shall only be eligible to receive one of the retirement incentive options described at point (f) above.
- (h) Absent "exceptional circumstances," Employees who receive an early retirement incentive under Article 19.18 will not be re-hired by the Institute after the Employee's resignation date. "Exceptional circumstances" shall be determined on a case-by-case basis by the Vice-President of Human Resources, in consultation with the Union.

 - (b) to Employees who have to move from one headquarters or geographic location to another at the Employer's request to fill a position which is permanently located at another headquarters or geographic location.

- (1) *Initial trip to seek new accommodation:* The Employer shall grant, with no loss of basic pay, prior to transfer, at a time mutually agreeable to Employer and Employee, up to five (5) days plus reasonable travel time, to an Employee being relocated and shall reimburse the Employee for travel expenses for the Employee and spouse in accordance with the current regulations. Anytime beyond specified time may be charged against the Employee's annual vacation credits; however, expenses will not be payable. This leave must be for the specific purpose of locating accommodation, with the intent, in as many instances as possible, that furniture and household effects may be delivered directly to the new residence.
- (2) *Travelling expenses moving to new location.* For the purpose of definition, dependents are: spouse, dependent children, and anyone for whom the Employee claims exemption on their Federal Income Tax Return.

The Employer shall reimburse the Employee for travel expenses incurred during the transfer for Employees and dependents, for the actual travel time, plus accommodation and meals up to seven (7) days at the new location, when Employees are unable to move into the new accommodation. Such expense allowances will be in accordance with current regulations.

Meals:

Adults - full rate

Children 12 years and under - half rate.

Motel or hotel:

On production of receipts. Private lodging at old or new location at current rate.

- (3) Where dependents of an Employee relocate at a time different than the Employee, the Employer shall reimburse the Employee for their dependents' travel expenses, meals and accommodation incurred while travelling to the new headquarters area. In such cases where the Employee remains eligible for benefits pursuant to Section 1.3, the Employee will be reimbursed for their dependents' meals at the new location for a period of up to seven (7) days.

The above allowances will be in accordance with the current Travel Expense Regulations.

1.3 Living Expenses Upon Transfer at New Location

After the first seven (7) days have expired at the new location and the Employee can establish to the satisfaction of the Employer that there is no suitable housing available, then:

- (a) The Employer shall pay an Employee not accompanied by dependents at the new location, a living allowance of ten dollars (\$10) per day up to a maximum of thirty (30) days; or
- (b) The Employer shall pay an Employee accompanied by dependents at the new location, a living allowance of thirteen dollars and fifty cents (\$13.50) per day up to a maximum of sixty (60) days.
- (c) Where an Employee is receiving the payment in (a) above and is later joined by their dependents at the new location and the Employee is still eligible for payment under this Section, the payment shall be as in (b) above. However, the maximum period of payment under (a) and (b) shall not exceed sixty (60) days.

1.4 Moving of Household Effects and Chattels

On transfer, the Employer shall arrange and pay for the following:

- (c) Where necessary, insured storage, up to two (2) months, upon production of receipts.
- (d) The packing and unpacking of the Employee's household effects and chattels.
- (e) When an Employee is being relocated and opts to move their own household effects and chattels, the Employee shall receive one of the following allowances:

- (2) five hundred dollars (\$500) for a move which exceeds a distance of two hundred forty (240) kilometres;
 - (3) one hundred dollars (\$100) where the Employee is entitled to receive the amount pursuant to Section 1.7(d).
- (f) Where the Employee exercises an option pursuant to (e) above then the provisions of (a) and (d) above shall not apply.

1.5 Moving of Mobile Homes

- (a) On transfer, an Employee who owns a mobile trailer may opt to have their mobile home moved by the Employer in either of the following circumstances:
- (1) where the Employee's new headquarters area is on the list of isolated areas, providing no suitable accommodation is available, or;
 - (2) where an Employee is living in a mobile home which was moved to its present location by the Employer, and the Employees' headquarters prior to the impending transfer is named on the list of isolated locations.
- (b) Where an Employee's mobile home is moved by the Employer under this Section then the Employer shall also arrange and pay for the following:
- (1) Moving of a single wide mobile trailer or home up to the maximum width allowed on the highway with a permit including any skirting, cabanas or attachments. Where mobile homes in excess of the above are involved, the Employer will pay:

 - (2) Comprehensive insurance to adequately protect the Employee's household effects, chattels, and trailer during the move up to a maximum of twenty-five thousand dollars (\$25,000).
 - (3) The setting-up and levelling of a mobile home or double wide at the new location to a maximum of five hundred dollars (\$500) upon production of receipts.
 - (4) The packing and unpacking of the Employee's household effects and chattels, if required.
- (c) Where an Employee is living in a mobile home and is not included in (a) above, and chooses to move the mobile home to the new headquarters area, the Employee shall be entitled to reimbursement for costs covered in (b) above up to a maximum of two thousand dollars (\$2,000) upon production of receipts.
- (d) Where the Employee opts under this Section to have a mobile home moved, there shall be no entitlement to the provisions of Section 1.4 and 1.10.

1.6 Moving of Personal Vehicles Upon Transfer

The Employer shall reimburse the Employee for the costs of transporting one personal vehicle and one trailer towed by the personal vehicle. The vehicle and trailer, where applicable, may be driven, in which case current mileage rates for the vehicle only will apply, or vehicle and trailer, where applicable, may be shipped by rail or boat, in which case the cost of the least expensive method will be paid. In addition, the Employer will pay for any additional transportation charges, such as ferry rates, for the vehicle and trailer with or without load.

1.7 Incidental Expenses on Transfer

The Employer shall pay to the Employee upon transfer only one of the following amounts to cover incidental expenses on transfer, and once the Employee has claimed one allowance, no alternative further claim may be

The application for incidental expenses on transfer must be made by the Employee on the appropriate form within sixty (60) days of the Employee's arrival at the new location, unless there is no available suitable housing, in which case application must be made within sixty (60) days of suitable housing becoming available.

1.8 Notice to Employee Upon Transfer

It is understood and agreed that the Employer will provide the Employee with reasonable notice of the transfer effective date and, where possible, at least one (1) month's notice shall be given. Where less than one (1) month's notice is given, or the transfer date is altered either earlier or later than the transfer effective date given which directly results in duplication of rent costs to the Employee, then the Employer agrees to reimburse the Employee, upon production of receipts, to the duplicate rent payments at new location.

1.9 Requested Transfer by Employee

Where an Employee requests a transfer from one headquarters or geographic location to another, all travelling and living expenses incurred in such a move are the responsibility of the Employee.

1.10 Real Estate and Legal Fees

On transfer, or within one (1) year of the effective date of transfer, an Employee who purchases and/or sells their private dwelling house will be entitled to claim for the following expenses upon production of receipts:

- (b) An Employee who has sold their own home without the aid of a realtor shall entitle to claim five hundred dollars (\$500).

In these circumstances, the reimbursement shall be for one transaction only.

- (e) The Employee may claim legal fee reimbursement in either (c) or (d) above, not both.

APPENDIX A
SHORT TERM ILLNESS AND INJURY PLAN

1.1 Eligibility

- (a) Regular Employees shall be covered by the Short Term Illness and Injury Plan upon completion of six (6) months of active service with the Employer.
- (b) Regular Employees with less than six (6) months of service who are unable to work because of an illness or injury are entitled to six (6) days coverage at full pay in any one calendar year.
- (c) Regular Employees with three (3) months but less than six (6) months of service will be entitled to fifteen (15) weeks (75 working days) of coverage, consisting of the above six (6) days, or what remains of the six (6) days' entitlement, at full pay and the remainder of the fifteen (15) weeks at two-thirds ($\frac{2}{3}$) of pay, not to exceed a maximum weekly benefit of two hundred and ten dollars (\$210) or the **Employment Insurance** maximum weekly sickness benefit, whichever is higher.
- (d) Notwithstanding (a), (b) and (c) above, where a regular Employee is on a claim recognized by the Workers' Compensation Board while the Employee was on the Employer's business, they shall be entitled to leave at their regular rate of pay, up to a maximum of one hundred thirty (130) days for any one claim in lieu of benefits as outlined in Section 1.2. In such cases the compensation payable by the Workers' Compensation Board shall be remitted to the Employer.

1.2 Short Term Plan Benefit

- (a) In the event an Employee is unable to work because of illness or injury, they will be entitled to a benefit of seventy-five percent (75%) of pay for a period not to exceed six (6) months from date of absence, (Short Term Plan Period). In any one (1) calendar year, the first six (6) working days of absence from work due to illness or injury will be paid at one hundred percent (100%) of pay.

Employees who exhaust all or part of their six (6) working days entitlement at one hundred percent (100%) of pay in a calendar year will have it reinstated in the following calendar year upon return to work.

- (b) Employees who have accumulated sick leave credit under the old sick leave plan will have their accumulated sick leave credits frozen but will supplement their seventy-five percent (75%) of pay benefit under the new plan by using twenty-five percent (25%) of a day's accumulation under the old sick leave plan for each day of absence under the new plan. The seventy-five percent (75%) benefit shall not be supplemented by the use of any other leave entitlement.

1.3 Recurring Disabilities

- (a) Employees who return to work after being absent because of illness or injury, and within five (5) consecutive scheduled days of work again become unable to work because of the same illness or injury are considered to still be within the original Short Term Plan period as defined in Section 1.2(a).
- (b) Employees who return to work after being absent because of illness or injury and within five (5) consecutive scheduled days of work again become unable to work because of a new illness or injury unrelated to the illness or injury that caused the previous absence shall be entitled to a further six (6) months' benefits under this plan.
- (c) Employees who return to work after being absent because of illness or injury, and after working five (5) or more consecutive scheduled days of work, again become unable to work because of the same

illness or injury will be entitled to a further six (6) month period of benefits under this plan, except as provided in (d) below, where the Short Term Plan period shall continue to be as defined in Section 1.2(a).

- (d) Where an Employee is returning to work after a period of illness or injury and where the Screening Committee has approved such return on a trial basis for assessment and/or rehabilitation purposes, the Short Term Plan period shall continue to be as defined in Section 1.2(a). Such trial period must be approved during the period the Employee is receiving short term benefits, however, the end of the trial period can go beyond the Short Term Plan benefit period.
- (e) Employees who return to work after a period of illness or injury and who do not work the same number of hours that were scheduled prior to the illness or injury shall receive prorated benefits under this plan, however, not beyond six (6) calendar months from the initial date of absence as defined in Section 1.2(a), if absence is due to the same illness or injury.

1.4 Doctor's Certificate of Inability to Work

The Employer may require an Employee who is unable to work because of illness or injury to provide a statement from:

- (a) A medical practitioner qualified to practice in the province of B.C.; or
- (b) Where necessary, from a medical practitioner licensed to practice in the province of Alberta or the Yukon; or
- (c) The consulting physician to whom the Employee is referred by the medical practitioner in (a) or (b) above, providing medical evidence of the Employee's inability to work in any of the following circumstances:
 - (i) where it appears that a pattern of consistent or frequent absence from work is developing
 - (ii) where the Employee has been absent for six (6) consecutive scheduled days of work;
 - (iii) where at least thirty (30) days have elapsed since the last statement was obtained and the Employee has been in receipt of plan benefits throughout that period.

Benefits will cease to be paid when an Employee fails to provide satisfactory evidence of medical disability during the benefit period.

1.5 Integration With Other Disability Income

Short term benefits will be reduced by all other disability income benefits to which the absent Employee is entitled except disability income which was being received prior to the illness or injury resulting in the Employee being absent from work and which is unrelated to the illness or injury causing the current absence and the quarter (1/4) day accumulation from the old sick leave plan that is being used to supplement the new plan. Other disability income benefits will include:

- (a) Any amount the absent Employee receives from any group insurance, wage continuation or pension plan of the Employer.
- (b) Any amount of disability income provided by any compulsory act or law, except **Employment Insurance** sickness benefits and **WorkSafeBC** benefits payable in accordance with Section 1.1(d).
- (c) Any periodic benefit payment from the Canada or Quebec Pension Plan or other social security plan of any country.

Notwithstanding the above, in the case of ICBC Weekly Indemnity payments or, in the case of personal insurance coverage integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments, or personal insurance disability income benefits exceed either:

- (i) one hundred percent (100%) of pay; or
- (ii) the applicable benefit percentage of the individual's average total monthly income in the twelve (12) month period immediately preceding commencement of the disability, whichever is greater. Where this provision is to apply, the Employee will be required to provide satisfactory evidence of their total monthly income.

This section does not apply to a war disability pension paid under an Act of the Governments of Canada or other Commonwealth countries.

1.6 Benefits Not Paid During Certain Periods

Benefits will not be paid when an Employee is:

- (a) receiving designated paid holiday pay;
- (b) engaged in an occupation for wage or profit;
- (c) on strike or is locked out unless the strike or lockout occurred after the illness or injury resulting in the Employee being absent from work;
- (d) serving a prison sentence;
- (e) on suspension without pay;
- (f) on paid absence in the period immediately preceding retirement;
- (g) on any leave of absence without pay.

Notwithstanding (g) above, where an illness or injury occurs during a period of approved:

- (1) education leave,
- (2) general leave of absence not exceeding thirty (30) days,
- (3) maternity leave,

which prevents the Employee from returning to work on the scheduled date of return, the Short Term Plan will be effective from the date of disability due to illness or injury and benefits will be paid for the balance of the six (6) month period remaining from the scheduled date of return to work. For maternity leave, the intention is no coverage for normal pregnancy.

1.7 Employee to Inform Employer

The Employee shall inform the Employer as soon as possible of their inability to report to work because of illness or injury. The Employee shall inform the Employer of the date of return to duty, in advance of that date, in order that relief scheduled for that Employee can be notified.

1.8 Entitlement

For the purpose of calculation six (6) calendar days per calendar year, one (1) day shall be considered to be one (1) day regardless of the regularly scheduled workday. Calculation for partial days will be on a prorated basis.

1.9 EIC Premium

The Parties agree that the complete premium reduction from the Employment Insurance Commission accruing through the improved illness and injury plan will be returned to the Employer.

1.10 Benefits Upon Layoff or Separation

- (a) Subject to (b) and (c) below, regular Employees who have completed three (3) months of service and who are receiving benefits pursuant to 1.1(c), 1.1(d) or 1.2 shall continue to receive such benefits upon layoff or separation until the termination of the illness or until the maximum benefit entitlement has been granted, whichever comes first, if the notice of layoff or separation is given after the commencement of the illness for which benefits are being paid.
- (b) In the event that layoff or separation notice was given prior to the commencement of the illness, benefits will cease on the effective date of the layoff or separation only if the illness commenced within two (2) months of the effective date of the layoff or separation.
- (c) Benefits will continue to be paid in accordance with 1.10(a), for which notice of layoff or separation was given prior to the commencement of the illness and if the illness commenced more than two (2) months before the effective date of the layoff or separation.

LONG TERM DISABILITY PLAN

2.1 Eligibility

- (a) Regular full-time Employees shall be covered by the Long Term Disability Plan upon completion of six (6) months' active employment with the Employer.
- (b) An Employee who is not actively at work because of illness or injury on the workday coincident with, or immediately preceding the date they would otherwise have become eligible for coverage under the Plan will not be eligible for coverage until the date the Employee returns to active employment.
- (c) Coverage in the plan is a condition of employment.

2.2 Long Term Disability Benefit

In the event an Employee while covered under this Plan, becomes totally disabled as a result of an accident or a sickness, then, after the Employee has been totally disabled for six (6) months, including periods approved in Section 1.3(a) and (c), they shall be eligible to receive a monthly benefit as follows:

- (a) While the Employee has a sick bank balance to be used on a day-for-day basis, full monthly earnings will continue until the sick bank is exhausted, and Section 2.6 will not apply.
- (b) When an Employee has no sick bank, or after it is exhausted, the Employee shall receive a monthly benefit equal to the sum of sixty-six and two-thirds percent (66 $\frac{2}{3}$ %) of monthly earnings (effective September 01, 1993).

For the purpose of the above, earnings shall mean basic monthly earnings as at the date of disability as determined by the Employer.

The basic monthly earnings as at the date of disability shall be the salary in effect for the last month of the Short Term Plan period, or equivalent six (6) month period, taking into consideration any retroactive adjustments. The date of disability for determining the commencement of the first two (2) years of disability shall be the day following the last month of the Short Term Plan period, or an equivalent six (6) month period.

- (c) The Long Term Disability benefit payment will be made so long as an Employee remains totally

disabled in accordance with Section 2.3, and will cease on the date the Employee recovers, or at the end of the month in which the Employee reaches age 65, or resigns or dies, whichever occurs first.

- (d) An Employee in receipt of long term disability benefits will be considered an Employee for purposes of superannuation and will continue to be covered by group life, extended health, dental and medical plans. Employees will not be covered by any other portion of the Collective Agreement but will retain the right of access to a Screening Committee established thereunder and will retain seniority rights should they return to employment within six (6) months following cessation of benefits.
- (e) When an Employee is in receipt of the benefit described in (b) above, contributions required for benefit plans in (d) above and contributions for superannuation will be waived by the Employer.
- (f) An Employee engaged in rehabilitative employment with the Institute and who is receiving partial Long Term Disability benefit payments will have contributions required for benefit plans in (d) above and contributions for superannuation waived by the Employer except that superannuation contributions shall be deducted from any salary received from the Employer to cover the period of rehabilitative employment.

2.3 Total Disability

- (a) Total disability, as used in this Plan, means the complete inability because of an accident or sickness of a covered Employee to perform all the duties of their own occupation for the first two (2) years of disability. Thereafter, Employees able by reason of education, training or experience to perform the duties of a gainful occupation for which the rate of pay is not less than seventy-five percent (75%) of the current rate of pay of their regular occupation at date of disability will not be considered totally disabled and will therefore not be eligible for benefits under this Long Term Disability Plan.
- (b) Total disabilities resulting from mental or nervous disorders are covered by the plan in the same manner as total disabilities resulting from accidents or other sickness, except that an Employee who is totally disabled as a result of a mental or nervous disorder and who has received twenty-four (24) months of Long Term Disability Plans benefit payments must be confined to a hospital or mental institution or where they are at home, under the direct care and supervision of a medical doctor, in order to continue to be eligible for benefit payments.

During a period of total disability an Employee must be under the regular and personal care of a legally qualified doctor of medicine.

- (c) (1) If an Employee becomes totally disabled and during this period of total disability engages in rehabilitative employment, the regular monthly benefit from this plan will be reduced by twenty-five percent (25%) of the Employee's earnings from such rehabilitative employment. In the event that income from rehabilitative employment and the benefit paid under this plan exceed eighty-five percent (85%) of the Employee's earnings at date of disability, the benefit from this plan will be further reduced by the excess amount. "*Rehabilitative employment*" shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled Employee to an allowance, provided such rehabilitative employment has the approval of the Employee's doctor and the Employer.

The rehabilitative employment of a disabled Employee will continue until such time as the Employee's earnings from rehabilitative employment exceed eighty-five percent (85%) of the Employee's earnings at the date of disability but in no event for more than twenty-four (24) months from the date benefit payments commence.

If earnings are received by an Employee during a period of total disability and if such earnings are

derived from employment which has not been approved of as rehabilitative employment by their doctor and the Employer, then the regular monthly benefit from the plan will be reduced by one hundred percent (100%) of such earnings.

- (2) In the event that an Employee has been classified as totally disabled for all occupations and engages in approved rehabilitative employment, the provisions of (1) above apply except that the rehabilitative employment may continue for twenty-four (24) months from the date rehabilitative employment commenced.
- (3) In the case where rehabilitative employment has been approved while an Employee is receiving a benefit under the provisions of Article 2.2(a), the provision of Article 2.3(c) (1) shall not apply until the Employee is receiving a benefit under Article 2.2(b).

2.4 Exclusions from Coverage

The Long Term Disability Plan does not cover total disabilities resulting from:

- (a) War, insurrection, rebellion, or service in the armed forces of any country, after the commencement of this plan;
- (b) Voluntary participation in a riot or civil commotion, except while an Employee is in the course of performing the duties of their regular occupation;
- (c) Intentionally self-inflicted injuries or illness;
- (d) Pregnancy, childbirth, miscarriage or abortion, except severe complications following termination of pregnancy; (Intention is no coverage for normal pregnancy);
- (e) A disability known to the Employer and which was specifically taken into account by the Employer at time of hiring.

2.5 Pre-existing Conditions

An Employee shall not be entitled to Long Term Disability benefits from this plan if their total disability resulted from an accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received in the ninety (90) day period prior to the date of hire unless they have completed twelve (12) consecutive months of service after the date of hire during which time they have not been absent from work due to the aforementioned accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received. This clause does not apply to present Employees who have been continuously employed since April 1, 1977.

2.6 Integration With Other Disability Income

In the event a totally disabled Employee is entitled to any other income as a result of the same accident, sickness, mental or nervous disorder that caused them to be eligible to receive benefits from this Plan, the benefits from this Plan will be reduced by one hundred percent (100%) of such other disability income.

Other disability income shall include, but not necessarily be limited to:

- (a) Any amount payable under the *Workers' Compensation Act* or Law or any other legislation of similar purpose, and;
- (b) Any amount the disabled Employee received from any group insurance, wage continuation or pension plan of the Employer that provides disability or retirement income, and;

- (c) Any amount of disability income provided by any compulsory act or law, and;
- (d) Any periodic primary benefit payment from the Canada or Quebec Pension Plans or other similar social security plan of any country to which the disabled Employee is entitled or to which they would be entitled if their application for such benefit were approved, and;
- (e) Any amount of disability income provided by any group or association disability plan to which the disabled Employee might belong or subscribe.

The amount by which the disability benefit from this plan is reduced by other disability income will normally be the amount to which the disabled Employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements will not further reduce the benefits from this Plan.

Notwithstanding the above, in the case of ICBC Weekly Indemnity payments or, in the case of personal insurance coverage, integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments or, personal insurance disability income benefits exceed either:

- (i) one hundred percent (100%) of basic pay; or
- (ii) the applicable benefit percentage of the individual average total monthly income in the twelve (12) month period immediately preceding commencement of the disability, whichever is the greater. Where this provision is to apply, the Employee will be required to provide satisfactory evidence of their total monthly income.

This Section does not apply to war disability pension paid under an Act of the governments of Canada or other Commonwealth countries.

2.7 Successive Disabilities

If, following a period of total disability with respect to which benefits are paid from this Plan, an Employee returns to work on a full-time basis for a continuous period of six (6) months or more, any subsequent total disability suffered by that Employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled Employee shall be entitled to benefit payments in accordance with the provisions of this Plan.

In the event the period during which such an Employee has returned to work is less than six (6) months and the Employee again suffers a total disability and that is related to the preceding disability, the subsequent disability shall be deemed a continuation of the preceding disability, and the disabled Employee shall be entitled to benefit payments in accordance with the provisions of this Plan as though they had not returned to work. Should such an Employee suffer a subsequent disability that is unrelated to the previous disability and, provided the period during which the Employee returned to work is longer than one (1) month, the subsequent disability shall be considered a new disability and the Employee shall be entitled to benefit payments in accordance with the provisions of this Plan. If the period during which the Employee returned to work is one (1) month or less, the subsequent disability shall be deemed a continuation of the preceding disability and the disabled Employee shall be entitled to benefit payments in accordance with the provisions of this Plan.

2.8 Cessation of Plan Coverage

An Employee shall cease to be covered by this Plan at the earliest of the following dates:

- (a) on the date that is six (6) months prior to their sixty-fifth (65) birthday.
- (b) on the date of commencement of paid absence prior to retirement;
- (c) on the date of termination of employment with the Employer;

Cessation of active employment as a regular Employee shall be considered termination of employment except when an Employee is on authorized leave of absence with or without pay.

2.9 Leave of Absence

Employees on leave of absence without pay may opt to retain coverage under the plan and shall pay the full premium, except when on approved Maternity Leave. Coverage will be permitted for a period of eighteen (18) months of absence without pay except that if the leave is for educational purposes, the maximum period will be extended to two (2) years. If an Employee on leave of absence without pay or partial pay, who has elected coverage under this plan, becomes disabled, benefits under this Plan will be based upon monthly earnings immediately prior to the current leave of absence.

2.10 Benefits Upon Plan Termination

In the event this Long Term Disability Plan is terminated, the benefit payments shall continue to be paid in accordance with the provisions of this Plan to disabled Employees who become disabled while covered by this Plan prior to its termination.

2.11 Contributions

The cost of this Plan will be borne by the Employer.

2.12 Waiver of Contributions

Employee contributions to this Plan shall be waived with respect to disabled Employees during the time such an Employee is in receipt of disability benefit payments from this Plan.

2.13 Claims

Long Term Disability claims will be adjudicated and paid by a claims-paying agent to be appointed by the Employer. In the event a covered Employee disputes the decision of the claims-paying agent regarding a claim for benefits under this Plan, the Employee may arrange to have their claim reviewed by a Claims Review Committee composed of three (3) medical doctors; one (1) designated by the claimant, one (1) by the Employer and a third agreed to by the first two. Written notice of a disputed claim or an appeal under this Plan shall be sent to the Plan Administrator.

Written notice of an appeal must be submitted within six (6) months from the date the claims-paying agent rejected the claim. The expenses incurred by a Claims Review Committee will be paid by the Plan.

Where an Employee has disputed the decision of the claims-paying agent and is awaiting the outcome of a review or an appeal, the Employee will be considered to be on leave of absence without pay during the portion of the waiting period when they are not receiving pay or benefit allowance. During the waiting period, an Employee will continue to be covered by group life, extended health, dental and medical plans.

2.14 Physical Examination

The Employer, at its own expense, shall have the right and be given the opportunity to have a medical doctor appointed by the Employer examine, as often as it may reasonably require any Employee whose injury, sickness, mental or nervous disorder is the basis of claim upon this Plan.

2.15 Canadian Currency

All monies payable to or from this Plan shall be payable in Canada in Canadian currency.

2.16 Administration

The Employer will be the administrator of the Plan. All questions arising as to the interpretation of this Plan shall be subject to the grievance and arbitration procedures in Articles 7 and 8 of this Agreement.

2.17 Implementation by Regulation

The provisions of this Plan shall become part of a memorandum of agreement between the Parties and will be implemented by regulation.

2.18 Benefit Level

The benefit level for existing LTD recipients shall be increased by the same amount as the negotiated salary increase for other Employees in the Bargaining Unit.

JOINT ADVISORY COMMITTEE

There shall be a Joint Advisory Committee which shall consist of two (2) representatives appointed by the Employer and two (2) representatives appointed by the Union. The Employer and the Union may each appoint one (1) alternate Committee member. The purpose of the Committee shall be to consider and make recommendations to the Bargaining Principals on all matters related to the effective administration of the Short Term Illness and Injury and Long Term Disability Plans and to consider and make recommendations to the Bargaining Principals on any questions which may arise related to interpretation or application of the wording of Appendix A. The Committee shall consider and report back on all matters related to the plans which may be referred to it jointly by the Bargaining Principals.

 - a. Each bargaining unit shall have the right to appoint, within 10 days of notice as in paragraph 2, one (1) member from its bargaining unit to the Selection Committee;
 - b. If a bargaining unit decides, at their discretion, not to appoint a committee member to the Selection Committee, they can choose to give their seat to another bargaining unit, by giving notice to BCIT Human Resources;
 - c. Failure by a bargaining unit to appoint a member to the Selection Committee, or to provide notice as in 3(b), will result in the search process proceeding without an appointed member from that bargaining unit;
 - d. The bargaining units shall make every reasonable effort to appoint employees from the program and/or service areas that report through to the position being filled;
 - e. The Employer shall have the right to appoint a number of representatives to the Selection Committee that is equal to the total number of bargaining unit representatives;
 - f. The Selection Committee may seek the assistance of additional non-voting members where there is a need for additional expertise; and
 - g. The Selection Committee shall be chaired by one of the Employer representatives on the Committee. In the event of a tie vote, the Chair will cast an additional vote to break the tie.
4. The Employer shall prepare the job description and the posting, provide them to the members of the Selection Committee, and post the vacancy.
5. The Selection Committee shall do the following, exercising their best judgement:
 - a. provide feedback on what attributes or characteristics are valuable in selecting a suitable applicant for the position;
 - b. review shortlisted applications based on the job description, the posting, and the attributes or characteristics that may be relevant to the position;
 - c. interview and assess the shortlisted candidates; and
 - d. within five (5) days of the final interview, select the most suitable applicant for the position,

in the opinion of the majority of the Selection Committee.

- 6. Where any of the Parties has a preferred candidate, the Selection Committee shall be so notified. If the majority of the Selection Committee agrees to select the preferred candidate, the Selection Committee may provide the hiring administrator with a selection, without having to go through the posting process.
- 7. If the selected candidate becomes unavailable, the matter shall be referred back to the Selection Committee for review. The Selection Committee shall do one of the following: select one of the other shortlisted candidates; recommend that the vacancy be reposted; or recommend that a new Selection Committee be struck.
- 8. The process described in this Memorandum of Agreement shall not apply to the following:
 - a. the selection of the BCIT President;
 - b. vacancies for excluded positions below the level of Director that do not have managerial authority over bargaining unit employees;
 - c. acting or temporary management vacancies that have a term of 12 months or less, or in the case of backfill 18 months or less. The parties may agree to a longer appointment by mutual agreement; and

INTRODUCTION

The Deferred Salary Leave Plan (the Plan) is a vehicle provided by BCIT (the Institute) to eligible BCGEU Faculty through which they may defer a portion of their bi-weekly salary exclusively for the purpose of financing a future leave.

The Plan is authorized by Canada Revenue Agency, reference: Paragraph 6801 of the current Income Tax Act and the broad guidelines under which such a Plan may operate are contained therein.

The Parties agree that they will make any modifications to this Plan that are necessary in order to comply with the Income Tax Act and the appropriate pension plan legislation and their regulations.

The objective of the Plan is to provide the opportunity for all eligible regular employees of the Institute to plan a leave for educational, recreational or any other personal purpose and to save for what will in effect be an unpaid leave using before tax dollars over a maximum period of five (5) years. **Monies received from the Trustee while on Deferred Salary Leave represent taxable income and a T4 will be issued for the year(s) in which payments are received.**

It is expressly understood that the Plan is not established to provide benefits to employees on or after retirement.

The Institute recognizes the value of renewal, upgrading and the freedom of choice in offering the Plan to its employees.

OVERVIEW

An eligible employee will apply through their administrator (e.g. Dean/Associate Dean) for permission to take a leave to be completed not later than eighty-four (84) months from start of participation in the Plan. The employee will identify the duration of the leave and the amount of salary to be saved (before tax) in the Plan, over a maximum period of sixty (60) months.

The Trustee will cause appropriate investments to be made over the period in which the employee is saving for the leave. Interest income from the investments will be paid to the employee on an annual basis. (This interest income cannot be accrued and is employment income reported on the T4 for the year in which it is received.)

The Institute and the Union shall not be liable to any participant for investments under the Plan.

The employee will go on an unpaid leave subject to conditions contained in the Plan and under the provisions of Article 19.11 (General Leave) in the collective agreement and will receive the total amount of their investment from the Trustee through the Institute's payroll system, or in the form of a lump-sum payment paid directly to the employee.

Under Canada Revenue Agency Regulations, the employee must return to the Institute after the leave for a period at least equal to the leave.

ELIGIBILITY

The Deferred Salary Leave Plan is available to all eligible regular Faculty who have a minimum of two FTE years of service.

An employee may re-enroll in the Plan in the year following a twelve (12) month period after the return from a leave under this Plan.

APPLICATION TO PARTICIPATE IN THE PLAN

Written notice of intent to join the plan shall be made to the applicable administrator ninety (90) calendar days prior to the commencement of the salary deferral period, and shall include the preferred date(s) of the leave period.

The timing and date(s) of the leave are subject to the approval of the applicable administrator. This approval shall not be unreasonably withheld.

Commencement of the leave plan will be at a mutually agreed time between the employee and the applicable administrator and will normally begin at the start of the calendar year, academic year or commencement of an instructional assignment.

Subject to compliance with Canada Revenue Agency Guidelines and the provisions of the Plan, the Institute will endeavor to grant the application. The Vice President, Human Resources will consult with the employee and their administrator in cases of operational difficulty when an application will not be granted. Such cases would include a proposed leave coinciding with a unique need for the employee to be present at the Institute or where an unreasonable number of simultaneous leaves in the same department are proposed. Such a situation would result in discussion with the employee(s) to resolve the matter. In all applications, the decision of the Vice President, Human Resources is final. (See also Deferral of Leave.) Participation in the Plan shall not be unreasonably denied.

Application will be made on the standard application form and must include the precise dates of the proposed leave and the percentage of deferral for each year. The application forms are available on-line from the Human Resources website.

DURATION OF LEAVE

Canada Revenue Agency Regulations state that a leave must be of a minimum six (6) months and a maximum twelve (12) months duration and must be completed by eighty-four (84) months after the commencement of the Deferral Plan. Otherwise, the balance of the investment will be paid out to the employee by the Trustee on that date and will require to be accounted for as income by the employee.

DEFERRAL OF LEAVE

A one-time postponement of the planned leave is permitted and may be requested by the employee or by the Institute in exceptional circumstances and will not be unreasonably refused by the other party. Such deferral will be arranged so as to allow completion of the leave within eighty-four months of enrolment in the Plan.

ACCELERATION OF LEAVE

Acceleration of the proposed leave may be considered.

RESIGNATION FROM THE PLAN

Resignation from the Plan is permitted in the following circumstances:

1. Death of the employee.

2. Employee ceases to be employed by the Institute.
3. Voluntary resignation.

The above resignation provisions are built into the Trust Agreement under which Plan savings contributions are held and invested. However, arrangements for the payout of accrued interest and principal will be subject to the policies of the Trustee, including 35 days notice, and any payout will be taxable income for the year in which it is received.

LEAVE ARRANGEMENT SAVINGS PLAN

The savings plan will not be less than two (2) years and will not normally extend beyond sixty (60) months from start of enrolment in the Plan, unless a one-time interruption of savings (to a maximum of one (1) year) is requested by the employee. A percentage to be applied to each year, not to exceed 33 1/3%, will be identified on the application and the aggregate of percentages will not exceed 100% in any case.

Paid or unpaid leaves available to employees under the collective agreement will not constitute interruption of employment as far as the Plan is concerned, but may have an effect on a savings plan.

Changes to savings plans (i.e. extension, increase) must be requested by the employee in writing thirty (30) days prior to the effective date of the change.

PLAN INTERRUPTION

For any reason, an employee may request, in writing, that the savings plan be interrupted for a maximum period of one (1) year. However, such action may limit the right to defer the leave in order to have it completed within eighty-four (84) months.

EMPLOYMENT STATUS DURING LEAVE

During the period of the leave under this Plan, the employee will be considered to be on an unpaid leave. During the period of the leave the employee may not receive any remuneration from the Institute, including curriculum development, Industry Services and Part-time Studies. This is an Income Tax Act regulation.

Seniority Status - Seniority will accrue in accordance with the current collective agreement. During the Deferred Salary Leave period, seniority will not accrue.

Vacation Accrual - Accrual is based upon time actively worked in the affected year. (Normally, accrued vacation will be used prior to the commencement of Deferred Salary Leave; however, utilization may be related to operational needs.)

Increments - Employees on Deferred Salary Leave will not be entitled to normal incremental progression.

EI/ CPP CONTRIBUTIONS

EI premiums are based upon the employee's gross salary before deferrals during the period of deferral and no premiums are withheld from the deferred amounts when paid to the employee during the leave period. (Canada Revenue Agency, Rulings, Dec.12/89 & BCTF, Oct.1/90.)

Canada Pension Plan (CPP) premiums are based upon the salary the employee actually receives during both

the deferral period and the leave period. When the deferred amounts are paid to the employee by a trustee, that trustee is deemed to be an employer of that employee by the CPP Act and is therefore required to pay the employer's contribution in respect of the employee. Where the employee is responsible for the employer's CPP contributions, such amounts will not be included in the amount reported as income for the employee on salary deferral. (Canada Revenue Agency, Rulings, Dec.12/89 & BCTF Oct.1/90.)

Union Dues are based upon the gross salary before deferrals and no dues are withheld from the deferred amounts when paid to the employee during the leave period.

BENEFITS

During the leave period, maintenance of benefits may be available for unpaid leave according to Human Resources' practices.

If benefits are to be maintained, the entire cost of the premiums are the sole responsibility of the employee. Payment of premiums will be administered through Human Resources. Payments must be kept up-to-date including any premium rate changes, to ensure continuity of coverage.

Out-of-country benefit coverage for the Medical Services Plan cannot exceed 12 months. MSP requires that they be notified of details concerning your absence from Canada. Continuation of Extended Health and Dental coverage is limited to 12 months for employees on the leave without pay.

PENSION DEDUCTIONS DURING SAVINGS PERIOD

Contributions to your pension plan are based upon "pensionable" gross earnings prior to deductions to the Deferred Salary Leave Plan. Thus, when deferred savings are paid during the leave period, pension contributions are not deducted. As your taxable income during the Savings Period is gross earnings less savings, yet your pension contributions are based upon your entire gross earnings, this may affect your eligibility to contribute to an RRSP. It would be advisable to consult with your financial advisor.

PENSION CONTRIBUTIONS FOR THE LEAVE PERIOD

Pensionable service can be purchased for the period of the leave by paying for both employee and employer shares of contributions. Applications to purchase the leave can be made upon return from the leave. The deadline to purchase service is within five years from the end of the leave period or before termination of employment, whichever occurs first.

Contact the Pension Corporation (1-888-440-0111 for the College Pension Plan) with any questions or contact your Human Resource Department.

BENEFICIARY

It is not necessary to designate a beneficiary when completing forms for Deferred Salary Leave. Upon receipt of a death certificate, the accrued amount of deferred salary will be paid to the employee's estate.

TRUST FUND

All contributions to the Plan will be transferred by the Institute to a Trust Fund as specified in the Trust

Agreement. The Trust Fund will constitute a fund held by the Trustee and will not form any part of the revenue or assets of the Institute. The Institute will have no responsibility for management or control of the fund, and will not be held liable for any acts or omissions of the trustee, or its agents. Neither the Institute nor the Union shall be liable to any participant for investments under the Plan.

TRUSTEE

The Trustee will cause contributions made to the Plan to be invested in accordance with the directions of the Trust Agreement.

The trustee, will, on an annual basis, provide the participants with a T4 Statement of their earned interest and payment of interest.

The Trustee will make semi-annual reports to each employee, detailing the principal amount accrued in the Plan including any interest not yet paid out. The Trustee will also provide an annual report to the Institute.

During a participant's leave, the Trustee will cause the accumulated principal amount to be remitted to the Institute for distribution to the participant. A Form T4 will be issued to each employee by the Institute at the end of each calendar year in which a leave is taken.

ADMINISTRATIVE EXPENSES

The Institute will bear all processing expenses of the Plan except where they may relate to fees of the Trustee in which case they will become a charge to the Trust Fund to be borne by the participants in accordance with the Trust Agreement.

RIGHTS UNDER THE PLAN

Neither the Institute nor any participant in the Plan will pledge or hypothecate any rights under the Plan as security for a loan or for any other purpose.

LETTER OF UNDERSTANDING #19 – COST OF LIVING ADJUSTMENT**Re: Cost of Living Adjustment****Definitions**

“General Wage Increase” or “GWI” means the overall general wage increase expressed as a percentage.

“Cost of Living Adjustment” or “COLA” means a percentage-based general wage increase adjustment provided in accordance with this Memorandum of Agreement. COLA is an upward adjustment applied to and folded into all wage rates.

The “annualized average of BC CPI over twelve months” (AABC CPI) means the *Latest 12-month Average Index % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March in the preceding year and concluding at the end of the following February.

The “Latest 12-month Average Index”, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average Index % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

COLA

The COLA will be applied as applicable to the GWI effective on the first pay period after April 1, 2023 and April 1, 2024. The COLA will be calculated by determining the difference between the AABC CPI and the annual general wage increase to the maximum COLA prescribed that year in Wage Schedule – Grids.

April 2023

If the 2023 AABC CPI exceeds the April 2023 GWI of 5.5%, then, on the first pay period after April 1, 2023 the April 2023 GWI will be adjusted upwards to reflect a COLA equal to the difference between the April 2023 GWI and the 2023 AABC CPI up to a maximum of 1.25%.

April 2024

If the 2024 AABC CPI exceeds the April 2024 GWI of 2.0%, then, on the first pay period after April 1, 2024 the April 2024 GWI will be adjusted upwards to reflect a COLA equal to the difference between the April 2024 GWI and the 2024 AABC CPI up to a maximum of 1.00%.

LETTER OF UNDERSTANDING #20 – PUBLIC SECTOR GENERAL WAGE INCREASES**Re: Public Sector General Wage Increases**

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the 2022-2025 BCGEU Faculty Collective Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This Letter of Agreement is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
 - b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.
3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This Letter of Agreement will be effective during the term of the 2022 – 2025 Collective Agreement.
